

PRODUCT DATA

SUNLUBE

Coatings For Industry, Inc. • 319 Township Line Road, Souderton, PA 18964 / 215-723-0919

Description

A single component non-toxic, soft dry film lubricant consisting of a wax emulsion and wetting agents for use on metal and rubber surfaces.

Packaging

One gallon containers are standard.

Technical Data:

Color:	Milky- clear
Weight Solids:	25.5%
Wt/gallon:	8.1#
Application:	Brush or dip
Thinner:	Water, deionized
Shelf Life:	1 year minimum
Clean Up:	Warm Tap Water
VOC:	Zero

Surface Preparation

Apply to a clean and degreased surface. On metal, lightly grit blasting using 150 to 280 mesh aluminum oxide will increase adhesion.

Application

Can be applied by brush or dip.

Allow to Air dry for 30 minutes before putting into use.

Clean Up

As soon as possible after coating and before the coating has dried on equipment, clean up with warm water.

Precautions:

Although water based material, spray droplets should not be inhaled. Use adequate ventilation. In confined areas, use adequate forced ventilation during application and drying. When spraying, a suitable protective vapor/particulate respirator should be worn. Also refer to the Sunlube Material Safety Data Sheet.

LIMITED WARRANTY : All statements, technical information and recommendations contained herein are based on tests the manufacturer believes to be reliable, but the accuracy or completeness thereof is not guaranteed, and the following is made in lieu of all warranties, express or implied:

Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective at the time the sealed container is first opened, and in no event beyond the shelf date printed on the label. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for his intended use, and user assumes all risk and liability whatsoever in connection therewith.

All data, statements and recommendations made herein are based upon information manufacturer believes to be reliable, but are made without any representation or guarantee or warranty of accuracy and are made with reservation of all patent rights. All products are sold on the condition that the user will evaluate them, as well as manufacturer's recommendation, to determine their suitability for user's own purpose before adoption. Statements regarding the use of the products or processes are not to be construed as recommendations for their use in violation of any patent rights or in violation of any applicable laws or regulations.
